

## COMPENSATION SOLUTIONS AWARDS MAGNA CUM LAUDE SCHOLARSHIPS

Three deserving students are award recipients

**Oakland, New Jersey – June 19, 2008** – Compensation Solutions, one of the tri-state area's leading Professional Employer Organizations (PEO), recently awarded Magna Cum Laude scholarships to three deserving students who will pursue studies in computer engineering, psychology and history. From a student who is fluent in three languages and the captain of the Club Swim Team, to a German Honor Society student who is the captain of the football team, to a Dean's List student who is dedicated to supporting her community and aspires to a career in law, each of the recipients distinguished themselves with very rigorous academic programs and long-term commitments to extracurricular activities and volunteerism.

Thomas J. Cioffe, President of Compensation Solutions said of the Magna Cum Laude Scholarship, "Education will offer our young people the opportunity to experience the personal and intellectual growth necessary to achieve success in whatever path they choose. These students have much to learn in an increasingly challenging world. They have set high standards for themselves, and Compensation Solutions is proud to offer our support in reaching their goals."

### **About the Magna Cum Laude Scholarship Program**

This annual program awards three scholarships to deserving high school and college students from the families of Compensation Solutions' client companies. Award recipients are chosen by a competitive selection process and must use the award to defray educational costs. Applicants must be enrolled in a full-time college or vocational/technical program scheduled for the fall semester.
